

FASANO

FIFTH AVENUE

HOTEL & PRIVATE MEMBERS CLUB

Steeped in over a century of stories and style, Fasano arrives in New York City as the first North American outpost of a Brazilian hospitality group with a portfolio of ten hotels and forty restaurants across Brazil, Uruguay and Italy.

Fasano Fifth Avenue embodies a legacy defined by an inimitable combination of elegance, design and considered service. In signature Fasano style, these qualities are given new expression within a landmark building on Fifth Avenue, designed by late French architect Thierry W. Despont.

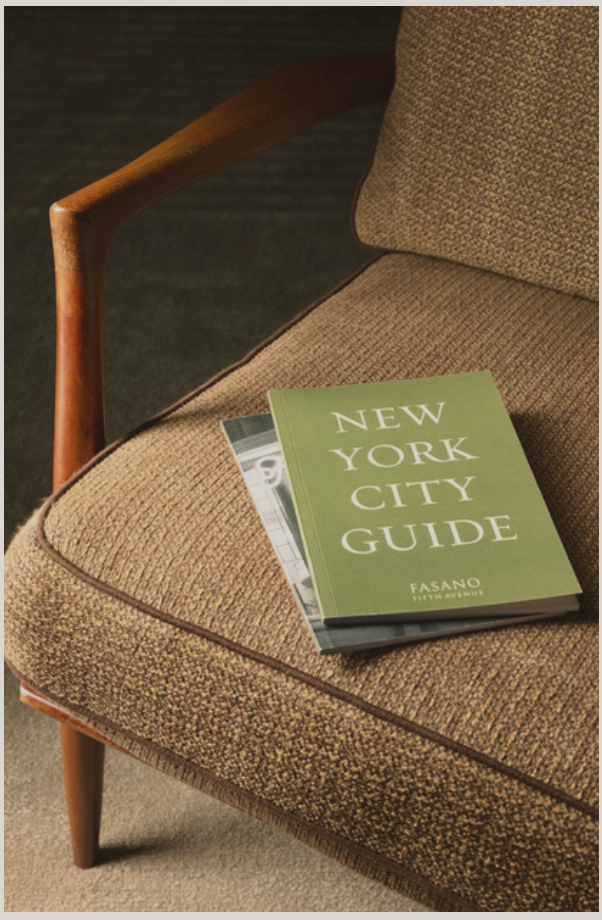

Contemporary and cultured, discreet and distinguished, the property features one Penthouse Suite, two custom-designed Duplex Apartments, eleven Clubhouse Suites, a boutique wellness area and an elegant restaurant and cocktail lounge, Fasano Caffè.

Fasano Fifth Avenue welcomes a global community of creatives, entrepreneurs and thought leaders united by a shared appreciation for culture, discretion and refinement. Rooted in a legacy of hospitality and design, the Club offers both a retreat from the city and a meaningful connection to a like-minded community.

Membership includes year-round access to the Club's private areas, including Fasano Caffè, priority reservation privileges across the property's suites and residences, and a curated programme of exceptional experiences spanning the arts, culture, gastronomy and travel.

FASANO RESTAURANT | MIDTOWN

Located at 280 Park Avenue, Fasano Restaurant carries the brand's century-long tradition of fine Northern Italian dining to New York. Opened in 2022, it marks the first namesake gastronomic outpost of the Fasano brand in North America. Here, Gero Fasano and Executive Chef Nicola Fedeli present an elegant menu of classics, including recipes passed down through generations of the Fasano family.

Designed by Isay Weinfeld, the restaurant reflects the warmth and character that define the Fasano aesthetic. Neutral earth tones, rich textures and a rare collection of mid-century modern furniture from Europe and Brazil set the tone for an evening of dining and conversation.

At the front of the restaurant, Fasano Bar is a refined cocktail lounge defined by warm wood tones, mid-century Brazilian influences and an intimate atmosphere. With a striking bar, curated music and a menu of Italian dishes in the spirit of aperitivo, Fasano Bar brings a contemporary energy to the Fasano experience in New York.

BARETTO NEW YORK

Ranked by Wallpaper Magazine as the “World’s Best Bar,” Baretto is Fasano’s cult-favorite outpost for jazz and bossa nova. Equal parts classic, cool, and contemporary, it is located on the second floor, above Fasano Restaurant New York.

Live performances take place every Friday and Saturday evening, accompanied by an à la carte menu designed to be enjoyed with the music.
